To Whom It May Concern

We are pleased to recommend **Ms. Sucheta Chanda**, a student of **Future Institute of Engineering College, Sonarpur**, who has successfully completed her internship at **YOUTH CAREER HUB**, Kolkata, from **12th December 2024 to 18th June 2025**.

During her internship, Sucheta worked on the **front-end development of our institute's official website**. She demonstrated strong proficiency in web technologies, including HTML, CSS, JavaScript, and frontend frameworks. Her attention to detail and commitment to producing responsive and user-friendly designs contributed significantly to the overall visual and functional quality of the website.

Sucheta is a quick learner, a dedicated team player, and consistently showed initiative in taking on new challenges. She worked independently and collaborated effectively with our development and content teams. Her contributions during the internship were highly appreciated.

We are confident that Sucheta will be a valuable asset to any organization she chooses to be part of in the future. We wish her all the best in her academic and professional pursuits.
